

## **THRUST AREA: 4.0 STAFF DEVELOPMENT**

### **GOAL: 4.1 CREATE HEALTH AWARENESS AND ENHANCE CORDIAL RELATIONSHIP**

#### **Goal statement:**

In order to develop the teaching, professional and managing skills of the staff to cater to the present day class room atmosphere and to nurture high caliber students, training is essential for staff.

For this we will encourage the staff to undergo training, acquire higher qualification and update the knowledge in their respective fields. To be efficient in their work, the health of the staff members & plays a major role hence awareness health is essential there is no doubts that the unity will hence like any they is old as pads. So get together programme will be arranged.
