

THRUST AREA: 5.0 INDUSTRY INSTITUTE INTERACTION

GOAL: 5.1 TO ENHANCE INDUSTRY INSTITUTE INTERACTION

Goal Statement:

In order to provide with better industry institute interaction, it is necessary to setup the I.I.I. working committee (PAC)

For this the PAC and I.I.I. will consist of the Principal, HOD s', Cont. Ed. Manager, I.I.I. Manager, Office Superintendent, and one representative each from teaching, supporting and office staff. It will assess the current new trends in Industries so as to develop the required skills in students once in three years. The committee will meet once on the 1st week, during the commencement of the semester. The total development plan will be made available by 1st April 2002.
