

THRUST AREA: 7.0 ENVIRONMENT DEVELOPMENT

GOAL: 7.1 TO KEEP ENVIRONMENT CLEAN AND GREEN

Goal statement:

In order to provide clean and green campus and to create awareness about clean and green environment to the community. Awareness about environment is essential. This may produce a pleasant, healthy and refreshing environment for students, staff as well as community folk.

For this Green brigade will be formed through which awareness about environment will be created among students, staff and community. This Green brigade will also conduct programmes to keep the college campus clean and green.
