JSW Appreciation letter

17-February-2015

The Principal Sakthi Polytechnic College Aappakudal, Bhavani <u>Erode Dist</u>

Dear Shri Muthusamy

JSW Steel Ltd. Salem Works have been regularly recruiting students from your Institution, especially from the Metallurgical, Mechanical and Electrical streams.

I am very happy to inform you that the students we have recruited from your esteemed institution are quite knowledgeable in their subjects. They also have good values with very positive attitude.

I have also observed that most of them are from very poor background and thoroughly deserve a job in a Company like ours for their social upliftment.

It is, therefore, a commendable effort of your staff to bring about this transformation of students from rural areas. I would like to congratulate the Management, Principal and the Staff for the yeoman service being rendered by your Institution.

I take this opportunity to congratulate the students who have performed extremely well in this years' Campus Selection process.

I wish Sakthi Polytechnic College grand success in all your future endeavors.

With best regards

D. RAVICHANDAR CHIEF EXECUTIVE OFFICER
